Services

- **Same-day dedicated**
  One vehicle for your load only, collected within 30 to 60 minutes and delivered the same day. No hub transfers.
- **Timed and booked-in**
  Delivery to a set window, including booked-in slots at distribution centres. Regular and contract runs on the same basis.
- **Tail-lift pallets and machinery**
  Every Luton van has a tail-lift, so no forklift is needed on site. Pallets, crates and machinery to kerbside.
- **ADR and lithium batteries**
  ADR-trained drivers. Dangerous goods carried in line with the UK regulations for the carriage of dangerous goods by road.
